TO THE MEN IN THE SERVICE OF OUR
COUNTRY, WHO ARE WEARING AMERICAS' KHAKI
AND BLUE, WE SENIORS OF 1944 PLACE YOU
FIRST IN OUR HEARTS AND THOUGHTS.

FOR THOSE WHO HAVE SHED LIFE'S
BLOOD CARRYING THE TORCH OF FREEDOM INTO
FAR CORNERS OF THE EARTH, AND FOR THOSE
WHO HAVE LEFT HOMES AND LOVED ONES AND
ARE STILL MAKING THE FULL MEASURE OF
SACRIFICE, WE OFFER UP OUR FERVENT PRAY-
ERS. MAY GOD HASTEN THE DAY WHEN YOU
CAN RETURN HOME TO A LIFE OF SERENITY
AND TRANQUILITY. TO YOU, ONE AND ALL,
WE PLEDGE OUR UNDYING GRATITUDE.

A MESSAGE

To the pupils of North Hopkins High School, I can truly say from the depth of my heart, that nothing has ever given me more pleasure than the association I have had this winter with the boys and girls of North Hopkins School. It is indeed a great thrill to see the pupils coming from the many old districts in North Hopkins to form a new school and a new district, one which is destined to become one of the largest and best schools in the country. I know that we have taken a great step forward in the development of education in North Hopkins County, and I appreciate the wonderful support given this school by the far sighted people of this district.

I know that every pupil feels his responsibility for his part in the development of this school.

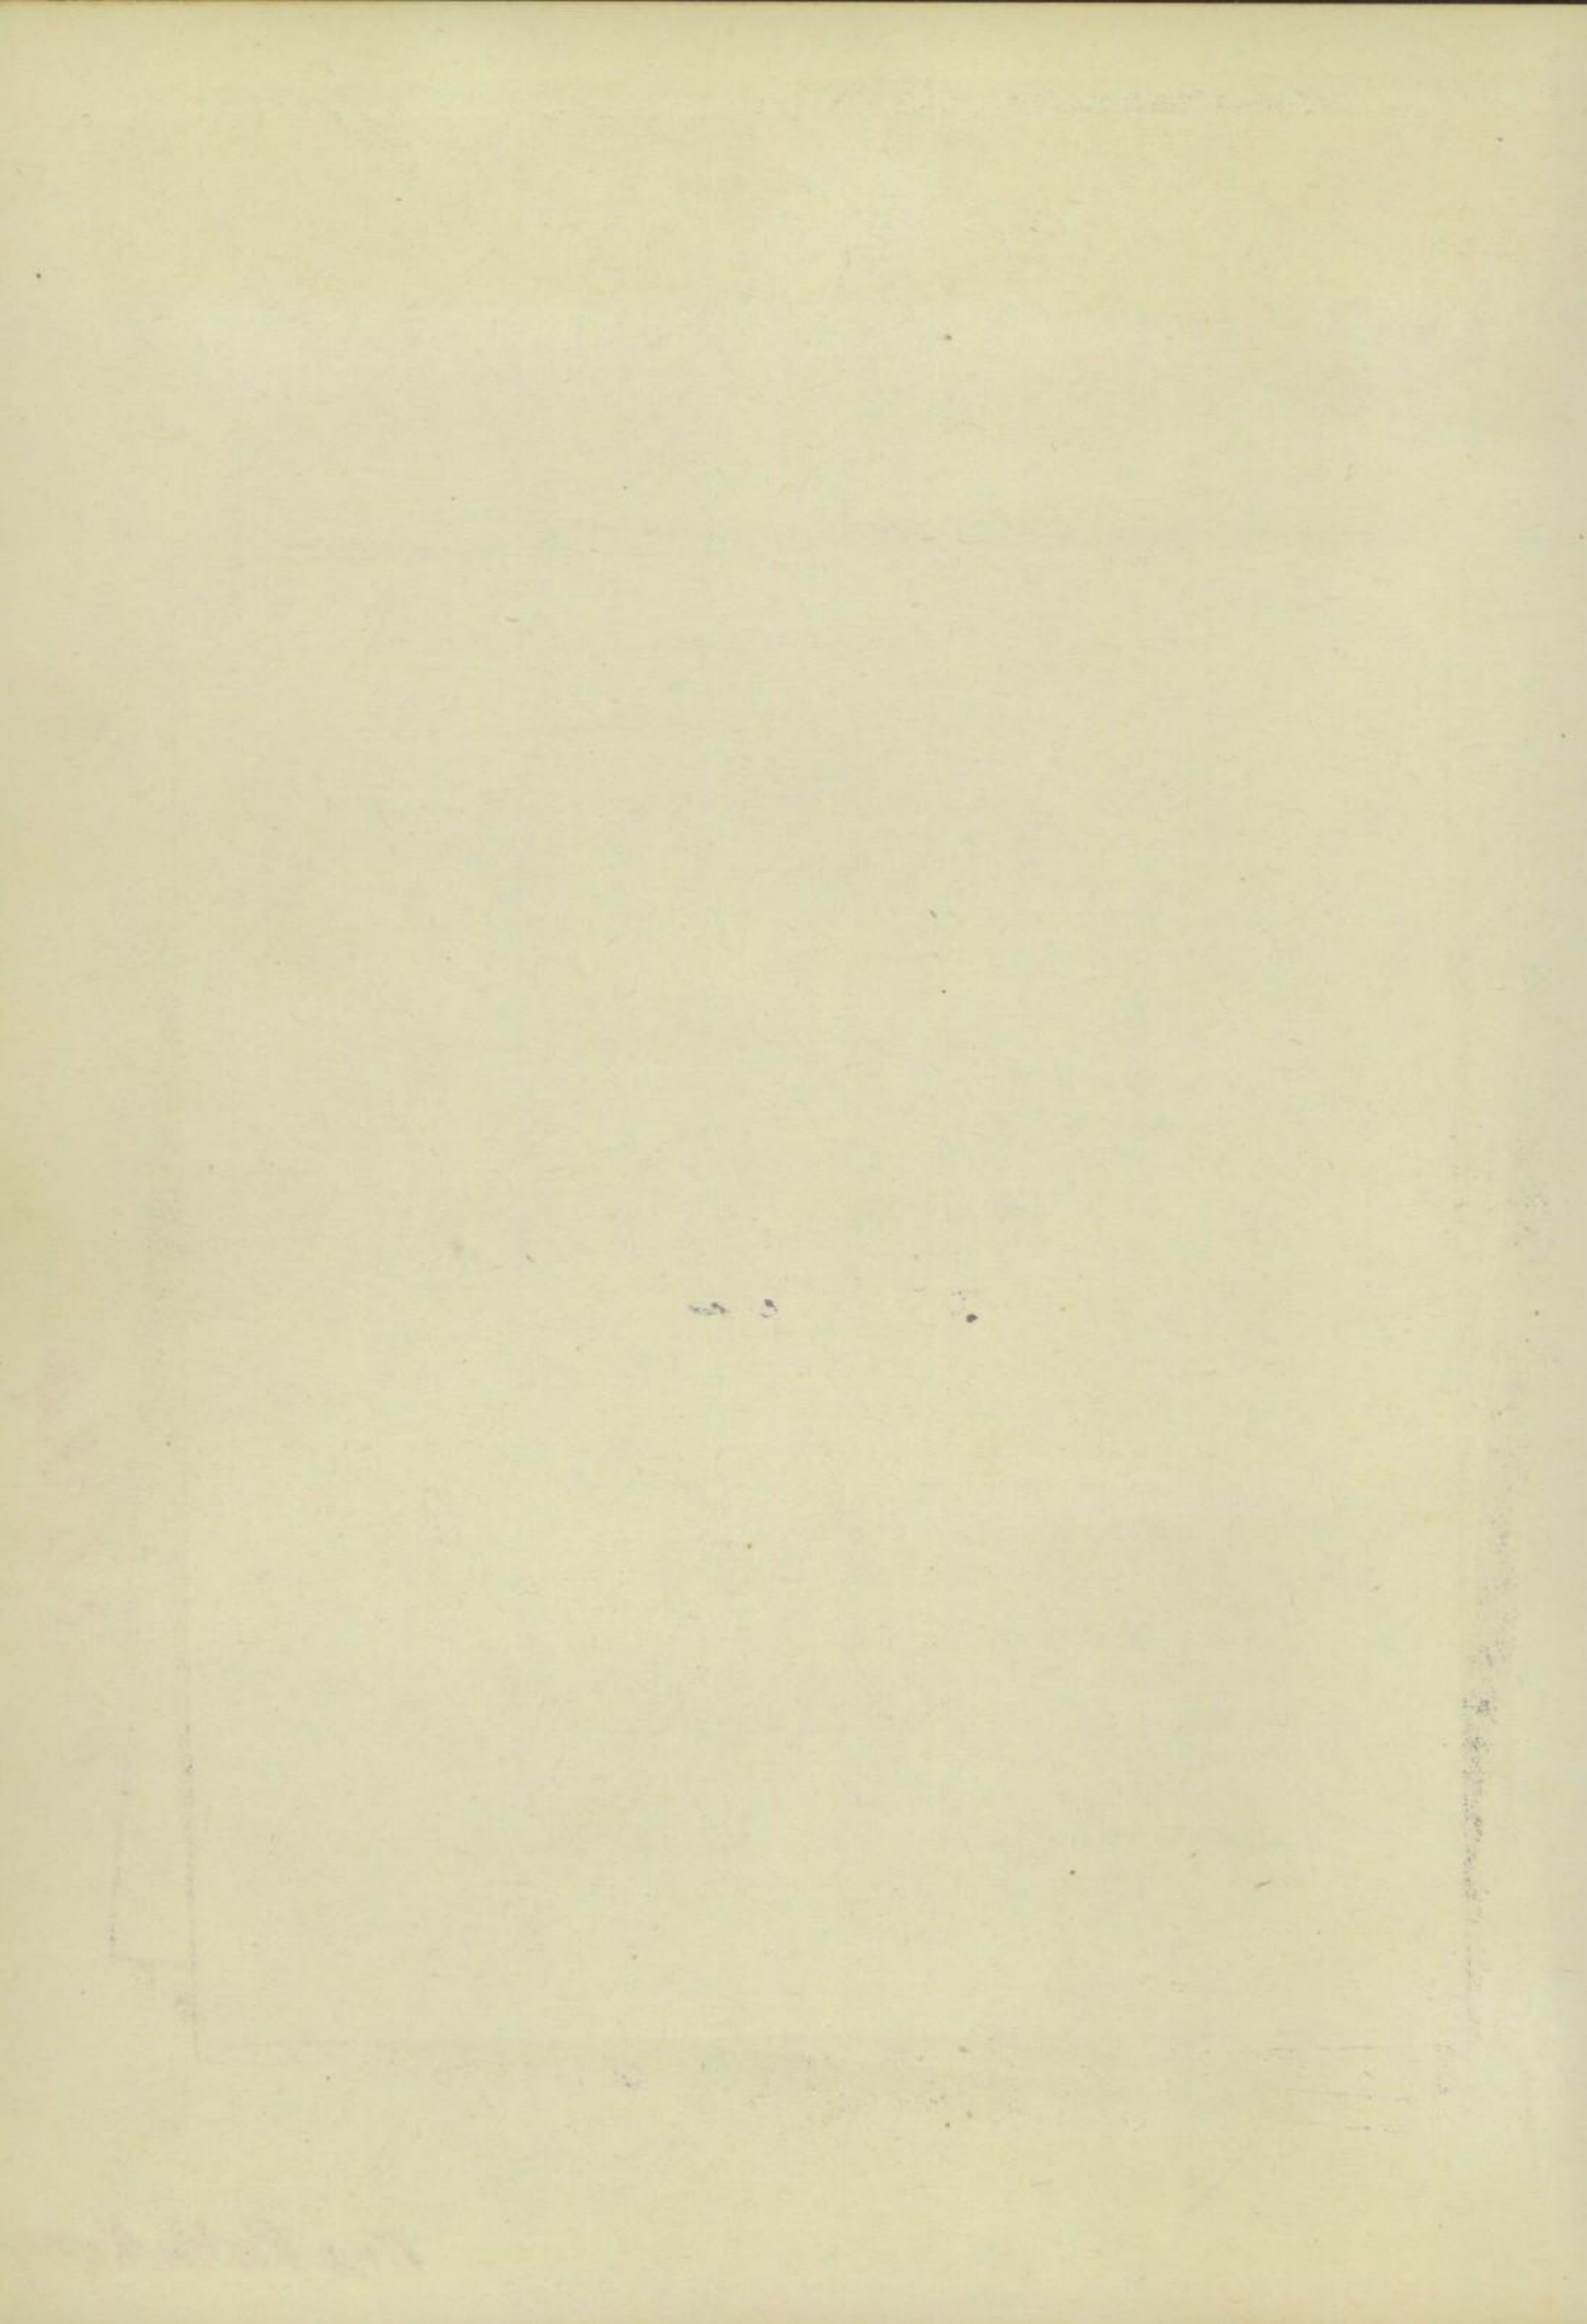

I am justly proud of the way in which the pupils from the various communities have come together, with no friction or discord, to be as if they had always been one great community.

To the Senior class of 1943 and 44, may I say that you have done a magnificent job in setting a standard for all future senior classes.

I know that in the future you will say with pride, "I was a member of the first graduation class of 'Dear old North Hopkins High School'".

When you have finished school and go out into this world of chaos, may God bless you and guide you always.

E. O. Chapman,
Superintendent.
